'gothic cathedrals and
churches

June 1st, 2020 - gothic
cathedrals and churches
are religious buildings
created in europe between
the mid 12th century and
the beginning of the 16th
century the cathedrals
are notable particularly
for their great height
and their extensive use
of stained glass to fill
the interiors with light
they were the tallest and
largest buildings of
their time and the most
prominent examples of
gothic architecture'
