considers the relationships between the slave ship captain and his crew
*between the sailors and the slaves and among the captives"***review of the**
slave ship by marcus rediker the lakefront
June 1st, 2020 - rediker was inspired to make the slave ship a human history in
order to counteract the preference among slave trade historians for reproducing
cold dry abstract and bloodless statistics that mirrored the ledgers account
books and balance sheets of traders and merchants as he states historians
began to distrust the propaganda and sensationalism of the abolitionists and so
they focused on addressing the relatively safe issue of the numbers game in
*the slave trade"***the slave ship a human history marcus rediker google**
