**April 30th, 2020 - Rurouni Kenshin is
the second manga that I ever finished
reading I like the drawing style a lot
and thought that the plot was pretty
good The thing that I liked about this
manga was that there are several
people and events in here such as Saito
Hajime Katsura Kogoro etc that were
real did happen and I enjoyed looking
up said people and events and finding
out the historical facts"List of
