'orchestral panion strings picking up the end release
May 22nd, 2020 - hi guys i just downloaded sonivox orchestral
panion strings and for some reason when i try and record using it
it only picks up the very end of the midi note and plays that
like when i release the key the midi note looks like it should be
playing a long sustained note but instead it just plays the
release of the note which sucks i don t have this issue on any
other plugins so i m' *'the midi panion february 1 1994 edition
