parkour facts sportsrec

May 22nd, 2020 - origins

parkour originated in the early
1900s in response to a
volcano emergency on the
island of martinique It gee
hebert an officer in the french
navy coordinated rescue
efforts and was intrigued by
the way human beings
maneuvered around
obstacles in their path to get
to safety according to the
world freerunning parkour
association"parkour

terminology amp definitions

May 21st, 2020 - definitions of

parkour and freerunning
activities parkour pronounced
par koor in the strictest sense
as defined by david belle
parkour is the art of moving
through your environment as
swiftly and effectively as
possible using only the
human body more broadly it
might be defined as the
discipline of developing the
physical and mental capacity
of the human being while
through training to"pdf the

parkour freerunning

handbook pdf book download

May 22nd, 2020 - the increasing
number of followers of the two
movement cultures parkour and
freerunning has given rise to the
need for safe methodical
orientation which the reader will
find in this book parkour a new
movement culture from france is
all about moving as efficiently as
possible between points a and b
by sprinting fluently over
obstacles'

'about accessparkour

May 20th, 2020 - parkour is a
sport that takes place entirely on
hard surfaces and it can
sometimes have a daredevil
reputation in popular media so
we re also very concerned
about making our classes seem
as safe as possible luckily
numbers don t lie parkour
records far fewer injuries than
much more popular sports like
football and rugby'
