plus a new chapter on
digital security for''**style
book**

May 8th, 2020 - contents
the book begins with a
definition of style in
prose and a discussion of
its importance it questions
the extent to which style
can be taught given that it
is a reflection of
personality the problems of
style are really problems
of personality but
concludes that writers
should write from the best
side of their characters
and at their best
moments''**design guidelines**
api stylebook
